

URBAN EDGE

IMPROVING COMMUNITIES

Urban Edge Properties is a real estate investment trust that acquires, owns, redevelops, and manages shopping centers in some of the most densely populated, supply-constrained markets in the country.

The Urban Edge portfolio of shopping centers, located primarily in the supply constrained corridor between Washington D.C. and Boston, creates value for retail partners through leasing, redevelopment, and first-class property management. The company is responsible for more than 70 properties and over 17 million square feet of gross leasable area.
